

Our parish is a family and Worship as a family is important to all of us!

In an effort to better meet the needs of our parishioners, Guardian Angels Church and School is exploring the possibility of adding a Sunday evening mass to our weekend worship schedule. Our goal is to offer an alternative that will work within the busy calendars of more families of our parish. As the weather warms up we know many will be juggling demanding time commitments including everything from sports schedules to weekends away at the cabin!

Please take a moment to answer a couple questions so that we may better gauge your interest. As always, thank you for your opinions, they help us make GA the best Church and School we can. As with all our surveys, your input can remain anonymous as you wish.
