

# FEEDING THE HUNGRY

The Youth Leadership Team (YLT) would like to thank all 35 parishioners that came and joined us at Feed My Starving Children (FMSC) on Friday April 28<sup>th</sup>. The experienced was amazing and fun at the same time. Our GA team contributed by packaging 25 boxes which represents 900 meals. The meals will be delivered to children in Dominica, a small island in the Caribbean.

## ***Why did YLT decide to do this?***

Because we strongly believe in the need for serving those that need it the most. As YLT *"We hope for unity and to be successful in creating change. We will serve to the best of our abilities with integrity, faith, and dedication. The stronger this team is; the stronger Guardian Angels will be"*.

## ***Would we want to do it again next year?***

Absolutely. We immediately heard from many of our parishioners the desire to repeat this experience. It is particularly gratifying to learn that our collective efforts will help feed 56 children for one year.

## ***Our GOAL for next year?***

Double the number of parishioners, so we will need 70 people! One and a half hours of our time, seem insignificant to the difference a meal makes for a child fighting hunger. JOIN US!
